

BEYOND

In 1942, when Mission Hills was founded, 700,000 people were living on the Front Range of Colorado. Today, there are 5 million. The vast majority don't know Jesus.

Beyond is a campaign to accelerate toward our 100-year legacy by unleashing an unprecedented movement of Christians living on mission with Jesus on the Front Range.

THE PROBLEM

On the Front Range, there is an epidemic of apathy toward faith. The natural beauty and Colorado lifestyle often dull people's spiritual awareness.

To reach them, we need mission-driven Christians who live boldly and share their faith. With rapid population growth, there is an urgent need for thriving, Gospel-centered churches that support these believers.

Sadly, most churches here are stagnant or declining, highlighting the critical need to plant new churches and strengthen existing ones to serve our fast-growing communities.

THE OPPORTUNITY

Mission Hills has a unique opportunity to impact the future because we are building on a rich legacy. What God started with 25 people in a Sunday School program in a schoolhouse, He has grown into a church of four campuses, with people joining us from around the world online.

As we look to our 100-year milestone, God is calling us to build on that legacy and go beyond anything we have yet seen.

THE STRATEGY

Reaching the Front Range will take a movement of Jesus-followers committed to living on mission, supported by churches in their own communities. This means we need to plant new campuses of Mission Hills and come alongside other churches throughout Colorado.

MISSION HILLS CHURCH

**See, I am doing a new thing! Now it springs up; do you not perceive it?
I am making a way in the wilderness and streams in the wasteland.**

Isaiah 43:19

To reach everyone on the Front Range, we need to look beyond.

BEYOND OUR SELVES

Jesus said that if we're going to follow him, we're going to serve others.

We'll invest in:

- Discipleship that teaches people to serve others.
- Programs that help people overcome obstacles to living on mission.
- Sharing Christ with the next generation.
- Groups that foster missional community.

BEYOND OUR BUILDINGS

We need to improve and expand our facilities so that people can encounter God.

We'll invest in:

- Improving and updating existing campus facilities.
- A permanent home for our Castle Rock campus.
- New Mission Hills Church campuses on the Front Range.

BEYOND OUR CHURCH

Jesus calls us to support the larger Body of Christ.

We'll invest in:

- The Life Center.
- Blessing the communities where our campuses are located.
- Front Range churches through the Mission Hills Association.
- Our existing global partners.
- New international church plants.

We need you to go beyond.

We are asking everyone at Mission Hills Church to pray, engage, and give in new ways during this season.

Look Beyond to the next 17 years and imagine:

- Today's toddlers sharing their faith when they are in high school.
- Current students transforming their future workplaces.
- Outreach partners multiplying their impact around the world.
- Established churches taking new ground.
- New congregations exploding across the Front Range.

Our giving goal for
BEYOND
is \$53,000,000

Today, we are asking you to go beyond your comfort zone to leave an impact for God's Kingdom forever.
